## **Course description**

The main goal of this program is to give students knowledge about strategic aspects of doing business in Russia. During one week of September international students and students from Russia study the main features of business environment in Russia. Special attention is paid to the strategies of international companies in Russia.

The program includes classes by State Polytechnic University professors and research tours to companies. It helps

students to understand the every day practices of Russian business. Also it implies site visits to the most interesting historical places in St.-Petersburg. The duration of the program is six days.

**ACADEMIC TRAINING CONCLUDES:**

- Management & Diversity;
- Strategic Management in Russia Entrepreneurship;
- Innovative Business in Russia: theory and reality.

**PRACTICAL PROGRAM:**

- Discussions and workshop with business people;
- Company visits will be organized to the Russian and international companies;
- Project work in international group.
