The mission of the Bachelor of Cultural Studies program is to:

- develop the professional competence of students in the content of the theoretical and applied research bases of cultural knowledge, information mobility, analysis and interpretation of cultural forms, processes and practices not only of spiritual life (art, religion, language, science, morality);
- but also the daily activities of people close to it (ethnic and regional traditions, mass culture, trends in the development of fashion, cinema and television, new media communication and intellectual communication, etc.) on the basis of existing scientific theories and concepts.

Training assumes the following types of practices:

- educational archaeological practice,
- museum-familiarization practice,
- work experience internship,
- pre-diploma practice.

Practices are held on the basis of objects of Russia's cultural heritage, museums of Tatarstan and Kazan University, in the State Cultural Center "Republican Center for the Development of Culture." Obtained fundamental knowledge and practical skills contribute to the relevance of graduates in the field of cultural studies and social and humanitarian knowledge, cultural policy and management, cultural and natural heritage, sociocultural and mass communications, education.
