Program in Audit and Financial Management is a Master's Degree Program based on -latest state-regulated educational standards and - similar to international educational requirements that can help students to gain professional qualification. To satisfy these requirements the Program in Audit and Financial Management is designed similar to ACCA Program (The Association of Chartered Certified Accountants - ACCA).

- The mission of the Programme is to create values through the knowledge of auditing, financial management and management consulting.
- The motto of the Programme is Leadership in Quality.

The Program's aim is to prepare high educated professionals in Auditing, Financial Accounting, Managerial Accounting and Financial Management. Though the Program is respectively new (was started 2 years ago) it is very popular among students. The Program is supported by PricewaterhouseCoopers, Ernst&Young and KPMG. Basic languages for the Program are English and Russian. Some courses as Audit and Assurance, Financial Management, Financial Reporting are completely taught in English.

- The Program also aims to help young professionals to prepare for ACCA exams and to get an internationally recognized certificate.

During the Program students also visit companies to get practical experience in Managerial Accounting, Budgeting and Financial Management. Workshops in Audit, Controlling and Accounting by Professionals are held through the course.
