In the framework of this event, students study history, culture, society and politics of Western Siberia. Summer school provides opportunities for lectures and workshops of the leading specialists and researchers of Tyumen State University, other Tyumen universities, and Lomonosov Moscow State University. Students of the Summer school take part in a remarkable cultural programme. They visit Tobolsk, Khanty-Mansiisk and Yalutorovsk museum and tourist complexes. The summer school offers its participants a wide range of academic lectures, workshops, round-tables as well as Russian language courses alongside with excursions and ethnographic expeditions.
