

Technical Sphere Protection

National Research ITMO University

Degree or qualification is awarded: **M.S. in Technosphere Security**

Language of study: **Russian, English**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **239 000 RUB per year**

Programme webpage at the university website:

http://www.ifmo.ru/ru/viewfaculty/3/fakultet_estestvennonauchnyy.htm

Programme curator: **Sergei Stafeev**

Tel.: **+7 (812) 232-39-81**

E-mail: stafeev@yahoo.com

Among the disciplines studied on the direction – classical engineering - technological subjects: descriptive geometry, engineering physics, mechanics, hydro – gas dynamics, thermophysics, electronics and electrotechnics. Medicobiological bases of safety, reliability of technical systems and technogenic risk, management of a technosphere safety, supervision and control in the field of safety belong to a number of special disciplines.

Specializations within this programme

Information systems for technosphere and ecological safety

Irina Timofeeva, Lecturer, [+79219849862](tel:+79219849862), ivtimofeeva@corp.ifmo.ru
