

Bioengineering Systems and Technologies

National Research Tomsk Polytechnic University

Degree or qualification is awarded: **Bachelor of Science**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **yes**

Price: **2 900 Euro/year**

Programme webpage at the university website: <http://abiturient.tpu.ru/study/directions-list/120304.html>

Programme curator: **Fokin Alexander Vasilevich**

Tel.: **+73822419605**

E-mail: afokin@tpu.ru

- Participation in the project design and research work during the process of implementation of real projects aimed to create new effective biotechnical systems and technologies;
- Process of studying and teaching and performing research work of students is featured with the newest equipment. The equipment comes from Tomsk Polytechnic University, Siberian State Medical University, "Medtech" public corporation, Institute of High Current Electronics and Atmospheric Optics, Tomsk Scientific Center of the Siberian Branch of the Russian Academy of Sciences (TSC SB RAS), resident enterprises of Tomsk special economic zone of technical innovations, innovative companies of Tomsk and the Siberian region.
