

# Information Science and Computer Engineering

Peter the Great St. Petersburg Polytechnic University

Degree or qualification is awarded: **Bachelor of Information Science and Computer Engineering**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **yes**

Price: **198 000 - 216 000 rubles**

Programme curator: **Mr. Alexei Vasiliev**

Tel.: **+7 (812) 297-16-28**

E-mail: [vasiliev\\_alex@spbstu.ru](mailto:vasiliev_alex@spbstu.ru)

The program trains specialists in traditional and applied mathematics, building of information and computational systems and networks, program engineering, theory of mathematical modeling.

## **Specializations within this programme**

### **Technology development of software**

Training in software technology and computer science with focus on theory and design of software systems

### **Computing machines, complexes, systems and networks**

Bachelor program includes studies in computing machinery, systems and networks, automated systems of data processing and control, software for automated systems; apparatus and software for computing machinery for MIS (management information systems).
