

Power-machine Engineering

Peter the Great St. Petersburg Polytechnic University

Degree or qualification is awarded: **Bachelor of Power-machine Engineering**

Language of study: **Russian**

Mode of study: **full-time, extramural**

Duration: **4 years**

Availability of free education: **yes**

Price: **210 200 - 219 600 rubles**

Programme curator: **Mrs. Natalia Solodilova**

Tel.: **+7 (812) 552 66 23**

E-mail: solodilova_na@spbstu.ru

- Production and exploitation of steam and gas turbines;
- Design and research on hydraulic machines and plants.

Specializations within this programme

Steam turbine, gas turbines and engines

Principles of research, calculation and computer design of power machines

Internal combustion engines

Design, production, and maintenance of all types of combustion engines

Hydraulic machines and hydraulic drives and hydropneumatics

Design, research, installation, and exploitation of hydraulic machines, aggregates, and their control systems
