

Chemistry

University of Tyumen

Degree or qualification is awarded: **Master in the major "Chemistry"**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **169 162 RUB per year**

Programme webpage at the university website:

Programme curator: **Larisa Panicheva**

Tel.: **+73452597467**

E-mail: lpanicheva@list.ru

The program is aimed at training students with profound theoretical and practical knowledge in the field of physical and chemical analysis at various levels and practical skills of solving applied problems.

Specializations within this programme

Petroleum Chemistry and Environmental Safety

Physical and Chemical Analysis of Natural and Technical Systems in Micro- and Nanostates
