# Non-degree Program for Foreign Students "University Foundation Program - Standard" 

Peter the Great St. Petersburg Polytechnic University

Degree or qualification is awarded: Certificate
Language of study: Russian
Mode of study: full-time
Duration: $\mathbf{1 0}$ months
Availability of free education: yes
Price: 195000 rubles

Programme curator: Mrs. Olga Novikova
Tel.:
E-mail: olga_75@inbox.ru
Duration: 10 months.
Admission to this program takes place from September 01 to October 31 by the arrival of learners.
Studies under the Program are carried out in three specific fields corresponding to the prospective specializations of the students. The major Program areas of expertise are: "Engineering," "Economics," and "Humanities."

Each area of expertise presumes studying particular disciplines necessary for successful continuance of university education. Prospective students planning for the enrollment in Master's degree and postgraduate programs in the technical areas of expertise can study in special groups with the content of disciplines catered for the educational needs of the learners.

| Engineering area | Basic disciplines: | Russian language, mathematics, physics |
| :--- | :--- | :--- |
| of expertise | Specialty disciplines: | Computer sciences, chemistry |
| Economic area | Basic disciplines: | Russian language, mathematics, public sciences (basic course and the <br> of expertise |
|  | "Social and Economical Geography" module) |  |

Classroom studies amount to 1116 academic hours.

Students who have successfully completed the course of pre-university training shall be awarded with Certificates of the university-established format.
