

Electric Power Engineering and Electrical Engineering

Petrozavodsk State University

Degree or qualification is awarded: **Master**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **no**

Price: **245 000 RUB per year**

Programme webpage at the university website: <https://petrsu.ru/specialization/147>

Programme curator: **Aleksandr Sysun**

Tel.: **88142719681**

E-mail: vsysun@psu.karelia.ru

The education program trains the graduates for the work with technical aids and means of energy transmission, conversion, distribution and use of electric energy, management of energy flows, design and engineering elements, equipment and systems implementing these processes.

The students learn the skills that allow them to work in the spheres of research, design and engineering, organization and management, education, industry and technology, installation and setup, and service and maintenance.
