

Agricultural Engineering

Petrozavodsk State University

Degree or qualification is awarded: **Bachelor**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **no**

Price: **163 450 RUB per year**

Programme webpage at the university website: <https://petrsu.ru/specialization/21>

Programme curator: **Leonid Cherniaev**

Tel.: **88142711046**

E-mail: leo@petrsu.ru

The education program trains mechanic engineers of agricultural, machine building, motor transport enterprises of various types. The program includes such courses as hydraulics, thermotechnics, automatics, engineering physics, machine elements and principles of design, mechanization of special purpose production processes, etc.

Theory is combined with extensive practical training aimed at learning the skills that mechanic engineers need in their work.
