

Mathematics and Mathematical Physics

National Research University – Higher School of Economics

Degree or qualification is awarded: **MSc in Mathematics**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **195 000 – 390 000 RUB per year**

Programme webpage at the university website: <http://www.hse.ru/ma/pmath>

Programme curator: **Krichever, Igor**

Tel.: **+74957729590 (add 44404)**

E-mail: ikrichever@hse.ru

The Master's Programme in Mathematical Physics provides training for professional researchers, who have a comprehensive understanding of fundamental models of modern theoretical physics and advanced mathematical knowledge.

Some courses are offered in English in collaboration with the programme Math in Moscow. The Programme is focused on seminars and collective discussions as well as individual consultations with students' academic supervisors.

Specializations within this programme
