

# Computer Systems and Networks

National Research University – Higher School of Economics

Degree or qualification is awarded: **MSc in Informatics and Computer Technologies**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **195 000 - 390 000 RUB a year**

Programme webpage at the university website: <http://www.hse.ru/ma/system/>

Programme curator: **Vishnekov Andrey**

Tel.: **+74957729590 (add 15114)**

E-mail: [avishnekov@hse.ru](mailto:avishnekov@hse.ru)

This program trains students in computer networks, software analytics, and systems modeling. Students receive fundamental theoretical knowledge and practical skills in the spheres of computer systems and network security, data transfer, computer network management and design, construction of expert learning systems, systems modeling, and automated design of technical systems.

## **Specializations within this programme**
