

Dosimetric support of radiation safety

National Research Nuclear University MEPhI (Moscow Engineering Physics Institute)

Degree or qualification is awarded: **Certificate**

Language of study: **Russian, English**

Mode of study: **full-time**

Duration: **1 or 2 week**

Availability of free education: **no**

Price: **800 \$ or 1 000 \$**

Programme curator: **Sergey V. Kireev**

Tel.: **+7 (495) 788-56-99, ext. 9023**

E-mail: SVKireyev@mephi.ru

Brief description of the Program

Knowledge of dosimetry theoretical bases, skills to solve the problem of defining effective dose of external radiation, knowledge of internal irradiation dosimetry bases, modern instrument base

Specializations within this programme

Radiation safety

Characteristics of the scope and objects of professional activity of future graduates

The program is intended for persons having higher technical or physical education
