This highly acclaimed programme paves the way for careers in the financial sector. Students receive training in accordance with international standards recognized by professional associations including ACCA, PRMIA (Professional Risk Manager), and GARP (Financial Risk Manager). Since 2017, the programme is a part of QTEM (Quantitative Methods for Economics and Management Masters Network) consortium, an international network of the world's leading business schools. This provides MA students with access to a wide range of network member opportunities (such as internships and exchange programmes abroad).
