Department of Natural Sciences invites you to join its Bachelor's degree program in Biology. For the first three years curriculum is the same for all the students, it includes biology, chemistry, physics and mathematics. After that students can choose to specialize in

- General Biology,
- Physiology,
- Computational Biology,
- Molecular Biology,
- Cytology,
- Genetics.

Summer Field practice in Altai Mountains and Novosibirsk region steppes is an important part of the studying process for biology students.
