Programme curator: **Vladimir S. Diev**

Tel.: **+7-383-3634238**

E-mail: dekanat@philos.nsu.ru

The program is carried out in a way that reflects the true integration of science and higher education. Most of the educational and research projects are implemented in conjunction with the Institute of Philosophy and Law of the Siberian Branch of RAS. A great deal of attention is paid to the study of English and German as well as the classical languages – Latin and Greek. The teachers of these languages are experts in the field of philosophy and ancient tradition.

Specializations within this programme

History of Philosophy

The specialization within the program is designed to broaden and deepen the students' knowledge in the field of the history of Western philosophy, its contribution to the philosophy, and traces lineage in its development.

Social Philosophy

The specialization includes courses like Sociology, Political Science, Philosophy and Cultural Anthropology, and Philosophy of History. It aims at showing the place and the role of socio-philosophical knowledge in the system of philosophical knowledge.

Philosophy of Science

The students are introduced to the general issues of philosophy of science. Its subject is the study of science as a form of knowledge, a kind of social activity, and a socio-historical institution.
