

# Electrical Power and Electrical Engineering

Far Eastern Federal University

Degree or qualification is awarded: **Master**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **275 000 rubles per year**

Programme curator: **Artem Grachev**

Tel.: **+74232652424 (#2206)**

E-mail: [interadmission@dvfu.ru](mailto:interadmission@dvfu.ru)

## **Master's programs:**

- Optimization of developing systems of power supply
- Energy efficiency and energy-saving in electro-energetic systems

The purpose of the Master's programs is to train highly qualified specialists with modern methods and means of design, research, implementation, management of complex power facilities. Graduates can perform job functions of an engineer of operating on power plants and substations, mounting and checkout of electrical equipment; industrial designer in sectoral designing institutes, a researcher in scientific organizations, a teacher in educational institutions, a manager in any field of electric power.

## **Specializations within this programme**
