The educational program is aimed at developing basic skills in the field of general management and preparing for professional activity in the field of company management. The objective of the program is to form graduates with a wide range of basic managerial competencies (managerial, analytical, communicative) in various areas of organization management. The program also aimed at developing a systematic understanding of the company's activities, its economy, the organization of all processes, environmental factors that affect its results and development. A significant element of the program is its addition to courses on the development of "soft" and "digital" skills demanded by the modern labor market.

Key disciplines of the program:

Professional skills of a manager, Micro and macroeconomics, Marketing, Project activity, Strategic management, Business planning, Marketing communications, Fundamentals of financial modeling.

Partners and experts involved in the implementation of the program:

Sberbank PJSC, Russian Railways JSC, FESCO Service Center LLC, Elbi-Generation LLC, Russky Technopark, Coca-Cola HBC Eurasia LLC, Green Leaves CJSC.
