Studying under the Bachelor's degree program "Linguistics (Translation and Translation Studies)" makes it possible to master the profession of a translator qualitatively. The program involves mastering the skills of both written and oral translation, modern technologies in this field, knowledge about the culture of the countries of the languages studied. All of the above makes graduates of the program unique specialists in demand in the labor market (both Russian and international). Studying under this program, students have the opportunity to master two foreign languages at a high level and learn professional translation. The purpose of this program is to meet the needs of the regional labor market for qualified translation personnel with higher education, training linguists in the field of French and English languages with universal professional competencies in the field of language services.

Key disciplines of the program:

Practical course of the French language; Theory of translation of the English language and professional activity of the translator; Practice of translation of the French language; Specialized translation of the French language; Practical course of the English language; Theory and practice of translation of the English language.

Partners involved in the implementation of the program:

Lomonosov Moscow State University, Faculty of Foreign Languages and Regional Studies; Association of Translators of Russia; Far Eastern English with the Association of Teachers; Asia Language; IATEFL (International Association of Teachers of English as a Foreign Language); National Association of Teachers of English in Russia; International Association for Intercultural Communication, Research (IAICS); Primorsky Trade and chamber of Industry.
