

Automatization of Technological Processes

Far Eastern Federal University

Degree or qualification is awarded: **Bachelor**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **yes**

Price: **200 000 rubles per year**

Programme curator: **Artem Grachev**

Tel.: **+74232652424 (#2206)**

E-mail: interadmission@dvfu.ru

The knowledge, skills and mastering the basic methods of analysis and synthesis of systems of automatization of technological processes in mechanical engineering allow the graduates to work as engineers for automation and masters of industrial sites in the engineering companies, as designers for the projecting of automation systems and automation facilities for the mechanical engineering, specialists operating machines with CNC and machining centers.

Profile: Automatization of technological processes in mechanical engineering
