

# Energy and Resource Saving Technologies in Chemical Engineering, Petrochemistry and Biotechnology

Far Eastern Federal University

Degree or qualification is awarded: **Bachelor**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **yes**

Price: **170 000 rubles in year**

Programme curator: **Oksana Blazhilina**

Tel.: **+74232652424 (#2206)**

E-mail: [interadmission@dvfu.ru](mailto:interadmission@dvfu.ru)

To students receive training in the field of processes and devices of chemical technology, environmental protection; modelling of energy saving process in chemical engineering, petrochemical and biotechnology; biotechnology basics; industrial ecology and others.

## **Profiles:**

- Environment protection and natural resource management
- Basic processes of chemical production and chemical cybernetics
- Machinery and equipment of chemical plants

## **Specializations within this programme**
