Programme focus

A manager is a highly qualified specialist, who acts as a coordinating link, forming and using the resources of an institution for achieving its goals.

In the modern world the profession of manager is one of the most prestigious and needed in the labour market.

The students of this programme will form and develop their managerial skills, creativity, capability for effective communication; the ability to justify the most daring ideas and solutions.

Programme advantages

The Educational Programme is internationally accredited and certified by German agency FIBAA (Foundation for International Business Administration Accreditation)

Professors and lecturers not only from the departments of the Economics Faculty, but also other educational units in Peoples' Friendship University as well as practitioners of Russian and foreign companies are involved in teaching the disciplines of the Educational programme "Management".

Within the framework of the various disciplines of the Educational programme students participate in workshops and business games.

Students have the opportunity to defend their bachelor's final work in a foreign language, studied at the university.

Graduates' expertise and career opportunities

During the Programme students have the opportunity to do the practical training at:

- the International Institute for Management of the National University of Science, Technology and Management, Paris (France)
- the University of Shanghai (China)
- the University of Nice (France).

Students of the Educational Programme "Management" do internships in major international companies: Siemens, LG Electronics, «Hirsch International»; consulting firms: Price Water Coopers (PWC); credit institutions, such as: Federal Treasury of the Russian Federation, "Sberbank of Russia", JSC "Citibank"; research organizations: All-Union Institute of Scientific and Technical Information of RAS, the Institute of Scientific Information for Social Sciences; Faculty departments and structural units of the university; public organizations; State institutions: The State Duma of the Russian Federation, Ministry of Education; Embassies of foreign countries.
