Programme Focus:

Further development of democratic institutions requires enhanced level of legal culture and legal knowledge of specialists directly involved in the work of public authorities and local self-government bodies.

In view of the ongoing municipal reform, local self-government bodies are in urgent need of specialized professionals.

This programme is of interest to state and municipal employees, to the deputies of government representative bodies, deputies of municipal representative bodies, as well as to other local government officials, candidates, and to all politically active citizens.

Programme advantage:

In the context of the labour market competition, importance of education is increasing, enabling the graduates to be highly demanded and sought for by the potential employer.

RUDN Law Institute graduates' high qualification of Master of law is the key to success in the legal profession, and in achieving professional ambitions.

Master's programme "Legal support of local government activity" is aimed at training specialists for the state and municipal authorities of the Russian Federation, constituent entities of the Russian Federation, as well as for foreign countries.

Graduates' expertise and career opportunities:

The Master's programme is practice-oriented. The knowledge gained by graduates is applicable in the state-building field, civil service, as well as in exercising powers to address issues in local self-government bodies and their subordinate organizations.
