

Semiconductor Power Converters

National University of Science and Technology MISIS

Language of study: **Russian**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **236 000 rubles per year**

Programme curator: **Yuri Osipov**

Tel.: **+7 499 236-03-04**

E-mail: osipov@misis.ru

This Master's program is focused on instruction in the field of semiconductor power converters as applied to design, manufacturing and application of micro- and nanoelectronics materials and devices.

Graduate employment options: R&D related to development and manufacturing of optoelectronic and nanophotonic components and materials.

Specializations within this programme

Semiconductor Power Converters
