

# Technological Equipment and Machine Engineering

National University of Science and Technology MISIS

Language of study: **Russian**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **245 400 rubles/per year**

Programme curator: **Nikolay Chichenev**

Tel.: **+7 499 230-27-07**

E-mail: [mamp@misis.ru](mailto:mamp@misis.ru)

The program covers training in technological machine and equipment engineering, and product and technology development for various sectors of economy.

It fosters building up competencies in the field of engineering and consulting skills as applied to technological machine and equipment development, manufacturing and improvement.

## Specializations within this programme

- Technological machine and equipment engineering.
- Engineering and consulting in the field of technological machine and equipment development and application.
