## Programme focus

The program "Foreign Language for professional communication and specialized translation" is realized in two versions: the basic program and the program of double diplomas with London Metropolitan University, London, UK.

This master's course provides students with the opportunity to acquire the skills of oral and written professional business communication in two foreign languages in the sphere of economics and specialized translation (translation of business documents, the use of ICT in this area, the translation of financial and economic texts, mastering the specialized economic and financial vocabulary, etc.), and allows to do without mediation of a translator that will greatly enhance the competitive value of the employee.

The target audience of the program: the course is designed not only for undergraduates of economic profile, but also for people with higher education of other profiles confirmed by bachelor's, master's or specialist degree. The required level of English - B1 (Intermediate).

## Programme advantages

The ability to get a degree corresponding to the highest international standards of university education.

Ability to obtain a double diploma (People's Friendship University of Russia and London Metropolitan University).

Translation practice in companies of London (UK).

The program is largely focused on the needs of employers.

Students of the program have the opportunity to prepare for and take Cambridge language proficiency exams, confirming the level of English in accordance with international educational standards, as well as the translation exam of London Institute of Linguistics.

Studying two foreign languages.

## Graduates' expertise and career opportunities

Masters of Linguistics often become translators in international companies, teachers of wide block of linguistic, translation and cultural disciplines in educational institutions, the media and other employees.

Practice and training, including foreign ones

Students of the Master's program have the opportunity to take the programme of dual diploma (People's Friendship University and London Metropolitan University), as well as an internship and training abroad (in the United Kingdom, Germany, Spain, Italy, China, France).

The possibility of further training

Students completing the master's program "Foreign language of professional communication and specialized translation" can continue their education in a postgraduate course of the respective profile.

## **Specializations within this programme**
