

# Petroleum engineering

Kazan (Volga Region) Federal University

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **no**

Price: **216 180 RUB per year**

Programme webpage at the university website: <https://kpfu.ru/geo>

Programme curator: **Rauf Sabirov**

Tel.: **+78432337027**

E-mail: [admission@kpfu.ru](mailto:admission@kpfu.ru)

Students are studying modern technologies of the development of oil and gas, including deposits of non-traditional hydrocarbons. In the process of training, students also receive the skills of geological, hydrodynamic modeling. The leading industry companies of the country (including Gazprom, Rosneft, Lukoil, Transneft, Tatneft, etc.) and international companies (Schlumberger, British Petroleum and other) are partners of the Institute.

## **Address of the Institute of Geology and Petroleum engineering:**

420008, Kazan, Kremlevskaya 4/5, Institute of Geology and Petroleum engineering
