Applied Informatics

National Research ITMO University

Degree or qualification is awarded: **B.S. in Applied Computer Science**

Language of study: **Russian**
Mode of study: **full-time**
Duration: **4 years**
Availability of free education: **yes**
Price: **246 000 RUB per year**

Programme curator: **Anton Suprun**
Tel.: **+7 (921) 367- 07-78**
E-mail: suprun@corp.ifmo.ru

Specializations within this programme

Applied Computer Science in the Information-based Sphere

Videoinformatics – is a field if computer science, oriented on creating, transmission and processing of information given in pictures. Such technologies are widely used in security systems, computer vision, biomedical diagnostics and ets.

Corporate Information Systems

The programme is purposed on fundomental training in the sphere of programming technologies, database development, management system in information systems.
