

# Computer Science and Engineering

National Research ITMO University

Degree or qualification is awarded: **B.S. in Computer Science and Engineering**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **yes**

Price: **224 000 RUB per year**

Programme curator: **Pavel Balakshin**

Tel.: **+7 (921) 307-49-85**

E-mail: [pybalakshin@corp.ifmo.ru](mailto:pybalakshin@corp.ifmo.ru)

## **Specializations within this programme**

### **Computing machines, complexes, systems and networks**

The graduate students become highly qualified specialists in the field of design, development and exploitation of computing machines, complexes, systems and networks, automate data processing and managing systems, automate design systems and systems for the information support of products, and also in the field of automate systems software.

### **Systems of Computer-Assisted Design**

Key spheres: design, development of computers, complexes, networks, technical software support and ets.

### **Systems of Computer-Assisted Design**

Key spheres: design, development of computers, complexes, networks, technical software support and ets.
