This course consists of five profiles:

- biomedical;
- engineering;
- humanitarian;
- economic;
- natural science.

During preparation courses for entrance to University, students study:

- Russian as a foreign language,
- Special Russian language (study of terminology),
- mathematics (it is the leading subject of engineering-technical, economic, natural-scientific profiles),
- physics;
- Informatics;
- chemistry;
- biology;
- social studies;
- history;
- literature.

Traditionally, one of the profile courses are studied 4 - 5 items.

For example, the Humanities include literature, history, social studies, Russian as a foreign language, Russian language specialties (terminology).

At the end of the course students receive a certificate of completion. After that, the students apply for undergraduate, graduate and postgraduate programs.
