

# Russian language and literature

Immanuel Kant Baltic Federal University

Degree or qualification is awarded: **Bachelor**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **yes**

Price: **2 020 USD per year**

This course aims to teach you the methods for collecting, processing, analysing and interpreting texts based on existing scientific methods; to help you develop skills in proofreading, editing, systematising and commenting on different types of text; to help you develop skills in developing dictionaries and other language and literature reference works, producing periodicals; to teach you skills in conducting project activities - including educational, cultural and awareness-raising, and science-popularising projects.

Graduates of this course will become broadly educated humanitarians with the skills required to systematise, process and produce texts, fluent in languages and aspects of cross-cultural communication, knowing the laws of correct speech and the techniques of effective communication.
