Training is aimed at familiarizing students with research methods, special techniques used to modify existing and develop new methods in studying specific research problems in the field of Russian philosophy.

Latest trends in philosophy, modern issues in teaching philosophy are being under examination.

Theoretical knowledge gained is further implemented during internship periods: research, pedagogical, and pre-diploma. Most lecturers hold doctorate degrees or PhDs.

The graduates can carry out research, expertise and pedagogical work, or take further post-graduate courses.
