The course grounds students in the vibrant field of global history through a regional focus on Russian, former Soviet and Eurasian spaces and covers various topics on comparative, environmental, and technological history, heritage, nationalism, history of empires. It draws on the proximity and wealth of archives and museum collections of St Petersburg and its rich environs, and HSE's academic strength in history and anthropology. Recent graduates are enrolled in PhD programmes at Princeton, Oxford, and European University Institute in Florence as well as work in media, museums, tourism sector.
