Based on an inter-disciplinary approach, this programme provides students with a range of skills needed to understand the developments taking place in contemporary East Asia and the Middle East. Students will have the opportunity to get a grasp of the cultural aspects of doing business in Asia via exchange programmes with universities in China, Vietnam, South Korea, etc. The academic content of the programme is complemented by research and business projects. Graduates will be able to pursue careers in government agencies, multinational corporations, private businesses, consulting firms, academia, think tanks, media, and NGOs.
