Programme curator: **Aristova Uliana**

Tel.: **+74957729590 (add 14303)**

E-mail: uaristova@hse.ru

This program allows current designers to explore new aspects of their profession and those without prior education in design to receive the full array of skills necessary to start their careers. The individual approach taken towards each student helps to identify their potential and helps to determine the trajectory for their further professional growth. Studying under renowned Russian designers, students will work on real case projects that will later become part of their portfolios.
