Programme webpage at the university website: <https://www.hse.ru/ba/logistics/>

Programme curator: **Valentina Dybskaya**

Tel.: **+7 (495) 772-95-90 #22623**

E-mail: vdybskaya@hse.ru

HSE's School of Logistics takes an integrated approach to education. Program graduates will possess knowledge and skills that are necessary for successfully managing the supply chain process to ensure that goods (or services) move as efficiently as possible from the producer to the final consumer. They will know how to plan and control product flow and resources in complex business infrastructure and network systems supply chains.
