The Academia Kantiana of the Immanuel Kant Baltic Federal University invites applications for participation in the Third Immanuel Kant International Summer School.

The summer school will focus on the analysis of central passages from Kant's works, including publications on the natural and the human sciences as well as texts from his critical works. Furthermore, the school will also address the long-term historical impact of his philosophical thinking about the sciences.

Scientific Supervisor – Prof. Dr. Thomas Sturm, ICREA research professor at the Universitat Autònoma de Barcelona

Scientific Assistants – Dr. habil. Vadim A. Chaly and Dr. Rudolf Meer, Senior Researchers at the Academia Kantiana, Immanuel Kant Baltic Federal University, Kaliningrad

Program includes:

- lectures, seminars, readings;
- the conference of the participants of the school with discussion.

Lectures and seminars – in English

Readings – in English and Russian

At the end of the summer school the participants will be given a certificate of their participation.
