

# Bioengineering Systems and Technology

Far Eastern Federal University

Degree or qualification is awarded: **Master**

Language of study: **Russian**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **160 000 rubles per year**

Programme curator: **Oksana Blazhilina**

Tel.: **+74232652424 (#2206)**

E-mail: [interadmission@dvfu.ru](mailto:interadmission@dvfu.ru)

**Master's program:** Biomedical engineering and robotics

The area of professional activity of Masters includes the technical systems and technologies, with the structure involving any living systems related to control and management of the state of living systems, ensuring their vital functions, as well as to the maintenance of optimal working conditions.

**Specializations within this programme**
