

Integrative Science and Engineering

Far Eastern Federal University

Degree or qualification is awarded: **Master**

Language of study: **English**

Mode of study: **full-time**

Duration: **2 years**

Availability of free education: **yes**

Price: **265 000 rubles in year**

Programme webpage at the university website: <https://www.dvfu.ru/admission/program-m/22.04.01.1.php>

Programme curator: **Artem Grachev**

Tel.: **+74232652424 (#2206)**

E-mail: interadmission@dvfu.ru

The program is aimed at the development and design of innovative functional ceramic, optical, carbon, silicon-containing materials, including nanomaterials, obtained using unique technologies and research methods for their practical use in chemical, chemical-technological, chemical-biological production in the field of traditional and alternative energy, mechanical engineering, space technology, as well as in the field of environmental protection.
