

# Physics of Condensed Matter and Quantum Technologies

National University of Science and Technology MISIS

Degree or qualification is awarded: **PhD in Physics**

Language of study: **English**

Mode of study: **full-time**

Duration: **4 years**

Availability of free education: **yes**

Price: **301 000 rubles/year**

Programme webpage at the university website: <https://en.misis.ru/applicants/phdmisis/phdinenglish/>

Programme curator: **Sergey Mukhin**

Tel.:

E-mail: [i.m.sergei.m@gmail.com](mailto:i.m.sergei.m@gmail.com)

The program “Physics of Condensed Matter and Quantum Technologies” is supervised by Doctor of Physical and Mathematical Sciences, Professor Sergey Mukhin — an international research scientist in the field of quantum order parameters, quantum phase transitions and the theory of electronic quantum phenomena in nanosystems, a student of the Nobel Prize laureate Alexey Abrikosov.

## **Specializations within this programme**
