## Programme focus

The programme "Economics" was developed in FSAEI HE PFUR and is aimed at training highly educated personnel for the international market. The mastering of "Economics" involves an in-depth study of such key disciplines as Economic Theory, Mathematical Analysis, Statistics, Econometrics, Foreign Languages. After completing the programme the graduates should be ready to work in the field of accounting, settlement and finance, banking and insurance.

## Programme advantages

In the process of training the students combine their studies and research. The scientific conferences, panel discussions, master-classes and other extracurricular events are actively carried out with the aim to form students as professionals. Administration organizes professional contests for students, and on-the-job training.

Our Department maintains partnership with well-known auditing companies: «PriceWaterHouseCoopers», «KPMG», «Ernst&Young», «Deloitte».

We are proud to say that our final year students can successfully pass the tests in large auditing companies. After graduating from PFUR they are sure they will be in demand in the labour market.

Bachelor degree in Economics is a good first step to become an analyst, CEO or FEO.

## Graduates' expertise and career opportunities

After completing the programme the graduates should be ready to work in the field of accounting, settlement and finance, banking and insurance.
