The educational program is aimed at preparing bachelors in linguistics with theoretical and practical knowledge of intercultural communication, with the study of English and Chinese. Today, the need for such specialists is very high. The Far Eastern region is expanding tourist and economic ties with foreign countries, including China. The uniqueness of this educational program consists in: the formation of a high level of communicative competence (at least C1 level) in English and a high level of proficiency in Chinese, the study of the basics of linguistics and theory of foreign languages, various types of translation, problems of intercultural communication affecting the effectiveness of intercultural and interlanguage contacts; - the formation of a complex of interdisciplinary skills that allow the graduate bachelor's degree to continue further studies in a master's degree in a broad humanitarian profile. Implementation of modern approaches and methods of intercultural communication to solve problem situations.

Key disciplines:

Practical English course programs: Theory and practice of intercultural communication; Practical Chinese language course; Intercultural Communication; Theory and Practice of Translation (English); Linguistics and Linguoculture of the Asia-Pacific region.

Partners involved in the implementation of the program:

Dalian University of Foreign Languages (Dalian); Heilongjiang University (Harbin); Shanghai University of Foreign Languages (Shanghai); Zhejiang Institute of Foreign Languages (Hangzhou); International Association for Intercultural Communication Studies (IAICS); Institute of History, Archeology and Ethnography of the Peoples of the Far East FEB RAS.
