Summary: The aim of the education program is to train analysts, researchers and experts in the field of political relations, who possess fundamental and applied knowledge in the fields of political expertise for successful career in government and non-governmental organizations.

The aim of the master's program is to train highly qualified political scientists in the field of European and Eurasian studies. Master's Program includes studying the processes of formation of the EU and the Eurasian Economic Community, the evolution of integration institutions and decision-making mechanisms, the evolution of EU law, its features and its main sectors.

The development of the European Union is analyzed in a comparative aspect with Eurasian integration, with the prospect of establishing a Eurasian Union. The program provides a mandatory study of one foreign (European) language.
