SUSU Russian language winter school

South Ural State University warmly invites international students to take part in the intensive Russian language course in winter 2020/2021.

What are the winter school dates?

January, 12th, 2021 - January, 30th, 2021

What is included in the price of the course?

The price includes 72 academic hours of language classroom sessions covering speaking and writing, grammar, listening, pronunciation plus various oral techniques and extracurricular activities to boost students' oral skills.

Is there a minimum level of Russian language required?

There is no minimum level to study Russian with us. Our professors can teach students of different backgrounds and abilities.

How about the fee for the courses?

Cost: 9500 rubles + 1000 registration fee

What is the application deadline?

Application deadline is the 24th of December 2020

What are the advantages of this school?

1) All teachers are the academics of South Ural State University with more than 10 years of international teaching experience. They hold PhD in either Theory of Russian language or Teaching Russian as a Foreign Language, and are actively engaged in research activities in this professional field. Please, follow this link <https://ilic.susu.ru/kafedra-russkiy-yazyik-kak-inostrannyiy> should you need further information about our professors.

2) Due to the ongoing coronavirus situation, we are planning online classes (using Moodle-based SUSU LMS). Should the borders be open again, we will move on to the onsite format.

3) Whether online or onsite, we are still planning an array of social activities and engagement opportunities to give you some idea of Russian culture, to develop the creative potential of students and to increase the level of socio-cultural interaction.

Do I gain any certificates by completing SUSU Russian language winter school?

At the end of the course you will get a certificate of completion.

What do I need to do if want to participate in the program?
