Participants of this school are open-minded people who seek to enhance their knowledge in fashion design, learn new ways of digital design creation and enrich their taste for art. This course is suitable for designers, stylists, makeup artists and everyone who loves fashion and style.

By the end of the course participants will be able to combine techniques of hand drawing with digital picture creation, choose garments in one style. Also the course includes classes on fashion garments layout design.

The school is unique for its intensive format of work, when in a very short period of time you upgrade qualification in the field of style, fashion illustration, design and computer technologies, also receive skills which are high-demanded in the professions like designer, stylist, online fashion manager.

We offer a school where intensive work is combined with the development of participants' creative approach.

Certificate on 4 ECTS is provided.
