Profile - the Arabic Language

Purpose of the educational program

Training of Orientalists, Africanists and Islamic scholars specializing in the study of the history, culture, literature, economy and religion of the countries of the Arab East, Iran, Turkey, India, Africa and Indonesia, who have a high level of knowledge of Arabic, Persian, Turkish, Hindi, Urdu, Swahili, Afrikaans and Indonesian, as well as the main European languages.

Why choose this program?

Profile: Languages and literatures of the peoples of Asia and Africa (Arabic) created for the training of philologists (Orientalists and Africanists), teachers and translators in the field of Arabic.

Description of the educational process

The program includes the study of modern socio-economic, political, cultural and historical processes taking place in the Arab countries. Special attention is paid to the analysis and forecast of development, demographic processes, the study of economic, military and political elites, the development of modern technologies, the processes of globalization and modernization of society. The courses are taught by leading Orientalists Of the Institute of international relations of the KFU in cooperation with scientists Of the Institute of Oriental Studies of the Russian Academy of Sciences and Arab countries where students undergo language internships (Algeria, Egypt, Morocco, Oman, Syria, etc.)

Advantages

Every year, students of the Department undergo language internships in Egypt, Morocco, Iran, Tanzania, and India, where they receive appropriate certificates. Graduates of the Department are in demand in many organizations that maintain business and cultural ties with the countries of the Middle East, Africa, India and Indonesia; they successfully work in various state and commercial organizations, research and analytical centers, Central and regional government bodies, ministries and departments, educational structures, etc.
