The Master's programme aims to train professionals in one of the most in-demand fields of translation today — translation for business communication at international level as well as diplomatic translation. The programme provides students with competences in translation studies, cultural studies, information technologies and intercultural communication. The MA programme in Translation for International Business and Diplomacy provides students with skills in discourse analysis, interpretation and translation, project work, group work and research.

In this Master's programme students are encouraged to choose either English or German as their primary foreign language.
