Educational program of preparation of scientific-pedagogical personnel in postgraduate study in the direction of Historical Sciences and archaeology (profile Domestic history) aimed at formation of students' General and professional competencies that allow successful completion of the program to realize themselves in the following professional areas:

- research activities in the field of history and related social Sciences and Humanities;
- teaching in the field of history.

The working curriculum for postgraduate students in the direction of 46.06.01 Historical Sciences and archeology is divided into four blocks. The first "Discipline" includes the basic part (History and philosophy of science; Foreign language) and the variable part (Organizational and managerial foundations of higher education; Modern educational technologies in higher education; the Latest historiography of Russian history; Domestic history; Current problems of the history of the Far East; Fundamentals of source analysis; Modern concepts of historical knowledge). The second block Of the working curriculum "Practices" includes practices for obtaining professional skills and professional experience in the field of history: pedagogical (3 semester) and research (4 semester). The third block "Scientific research" includes the preparation of a dissertation research on an approved topic under the supervision of a scientific supervisor. Intermediate certification is carried out in the form of tests and exams. In the disciplines of Philosophy and history of science, Foreign language, and National history, the candidate's qualification exam (2nd and 4th semesters) is passed in the course of training.

The fourth block of the curriculum is represented by the State final certification, which includes an interdisciplinary exam and the defense of a scientific report on the results of preparing a dissertation for the degree of candidate of historical Sciences. The main part of the study time is spent on practical (seminar) classes and independent work. The share of lectures does not exceed 30% of classroom sessions.

Successfully completed training in the graduate school receive a state diploma and present thesis for acceptance of defense by operating at far Eastern Federal University dissertation Council for doctoral and candidate theses on specialties 07.00.02 Native history and 07.00.03 General history.

The main courses and scientific management of graduate students are carried out by professors of the far Eastern Federal University, doctors of historical Sciences N. A. Belyaeva, A. P. Elantseva, D. V. Likharev, S. CH. Iim, M. B. Serdyuk, I. A. Tolstokulakov, V. F. Pecheritsa, A. A. Khisamutdinov.

Partners in the implementation of the Educational program of preparation of scientific and pedagogical staff in

postgraduate training direction 46.06.01 History and archaeology in the profile Domestic history are the Institute of history, archaeology and Ethnography of the peoples of the Far East far Eastern branch of RAS and the Russian state historical archive of the Far East.
